

# Brenda Lee, He Loves You

He loves you yeah, yeah, yeah  
He loves you yeah, yeah, yeah  
He loves you yeah, yeah, yeah, yeah  
You think you lost your love  
Well I saw him yesterday  
It's you he's thinking of  
And He told me what to say, He said He loves you  
And you know that can't be bad, He loves you and you  
Know you should be glad, He said you hurt him so  
He also lost his mind, but He says that He knows  
You're not the hurting kind, He said He loves you  
And you know that can't be bad, He loves you and you  
Know you should be glad  
He loves you yeah, yeah, yeah  
He loves you yeah, yeah, yeah

With a love like that, you know you should be glad  
You know it's up to you, I think it's only fair  
Pride can hurt you too, apologize to him  
Because He loves, and you know that can't be bad  
He loves you and you, know you should be glad  
He loves you yeah, yeah, yeah  
He loves you yeah, yeah, yeah

With a love like that, you know you should be glad  
And with a love like that, you know you should be glad  
Yeah, yeah, yeah, yeah, yeah, yeah  
Yeah, yeah, yeah, yeah
