

Brenda Lee, I'm A Memory

(hum) I'm a game that you use to play
I'm a plan that you didn't lay so well
I'm a fire that burns in your mind
Close your eyes, I'm a memory

I'm a love that you bought for a song
I'm a voice on a green telephone
I'm a day that lasted so long
Close your eyes, I'm a memory

(hum) I'm a dream that comes with the night
I'm a face that fades with the light
I'm a tear that falls out of sight
Close your eyes, I'm a memory
(hum)

Close your eyes, I'm a memory
