Brenda Lee, I Will Wait For You

The clock will tick away the hours one by one And then the time will come when all the waiting's done The time when you'll return and find me here and run Straight to my waiting arms

If it takes forever, I will wait for you For a thousand summers, I will wait for you Till you're back beside me Till I'm holding you, till I hear you sigh Here in my arms

Anywhere you wander, anywhere you go Every day remember how I love you so In your heart believe what in my heart I know That forever more I'll wait for you

If it takes forever, I will wait for you
For a thousand summers, I will wait for you
Till you're here beside me
Till I'm touching you
And forevermore I'll wait for you
I will wait for you
Yes, I will wait for you
I will wait for you
