

# Brenda Lee, If You Love Me (Really Love Me)

If the sun should tumble from the skies if the sea should suddenly run dry  
If you love me really love me let it happen I won't care  
If it seems that everything is lost I will smile and never count the cost  
If you love me really love me let it happen darling I won't care  
Shall I catch a shooting star shall I bring it where you are if you want me to I will  
You can let me any test I'll do anything you ask if you only say you love me still  
When at last the life on earth is through I will share each other tear will you  
If you love me really love me let it happen I won't care  
If you love me really love me let it happen I won't care
