

Brenda Lee, If You Love Me (Really Love Me)

If the sun should tumble from the skies if the sea should suddenly run dry
If you love me really love me let it happen I won't care
If it seems that everything is lost I will smile and never count the cost
If you love me really love me let it happen darling I won't care
Shall I catch a shooting star shall I bring it where you are if you want me to I will
You can let me any test I'll do anything you ask if you only say you love me still
When at last the life on earth is through I will share each other tear will you
If you love me really love me let it happen I won't care
If you love me really love me let it happen I won't care
