

Brenda Lee, It's never to late

Say it now while you can, whisper low, hold my hand
It's never too late to say "I love you."
I know it's true, I broke your heart. But I love you too much to part.
It's never too late to say "I love you."
Everywhere I go, everyone I know tells me you're still in love.
So if they are right, please tell me tonight
You'll always be my only love.
Say it now while you can, whisper low, hold my hand
It's never too late to say "I love you."
Everywhere I go, everyone I know tells me you're still in love.
So if they are right, please tell me tonight
You'll always be my only love.
Say it now while you can, whisper low, hold my hand
It's never too late to say "I love you."
I love you, oh yes, I love you. . .
