

# Brenda Lee, It Started All Over Again

Just A Little

Brenda Lee

(Ron Elliot - Robert Durand)

Ah ah ah ah

I can't stay, yes I know

You know I hate to go

But goodbye, love was sweet

Our worlds can never meet

So I'll cry just a little 'cause I love you so

And I'll die just a little 'cause I have to go

Away

Verse 2:

Can't you see how I feel

When I say love's unreal

But goodbye, it's been sweet

Even though incomplete

[repeat chorus]

Instrumental break:

Verse 3:

Every night I still hear

All your sighs very clear

Now love's gone, gone away

As I once heard you say

Chorus 2:

Now I've cried just a little 'cause I loved you so

And I've died just a little 'cause I had to go

Away

[repeat instrumental break]
