

Brenda Lee, Just A Little

(B.L.Chotas)

Umm Just a little, just a little, just a little
Don't you love me, just a little
Don't you want me, just a little
Can't you thrill me, just a little

Umm Say you love me, just a little, just a little
Can't you kiss me, just a little
Don't you miss me, just a little
Don't you love me, just a little

Umm Say you want me, just a little, just a little
I told you, baby, a million times
You're just about to make a-me lose my mind
I'm getting tired of playing second fiddle

Umm Just a little
Say you love me, just a little
Say you want me, just a little
Can't you thrill me, just a little

Umm Say you love me
I told you, baby, a million times
You're just about to make a-me lose my mind
I'm getting tired of playing second fiddle

Umm Just a little
Say you love me, just a little
Say you want me, just a little
Don't you love me, just a little

Umm Don't you need me, just a little
Just a little, just a little, just a little
Just a little, just a little
