

# Brenda Lee, No One

No one ever kissed me the way you do  
Ah... no one ever told me I love you, no one ever cared  
Ah... no one ever said all those dreams  
That I dreamed would come true  
Ah... no one ever hurt me the way you do  
Ah... no one ever broke my heart in two  
I'll keep on caring my whole life through  
For no one, no one, but you

No one ever hurt me the way you do  
No one ever broke my heart in two  
I'll keep on caring my whole life through  
For no one, no one, but you
