

# Brenda Lee, One Of Those Songs

Well, this is one of those songs  
That you hear now and then  
You don't know just where  
You don't know just when  
It's one of those songs that's over and then  
It's one of those songs that's just playing again

Oh now it's one of those songs  
That you hear for a while,  
That come into fashion and go out of style  
It's one of those songs that you think you forgot,  
But it's one of those songs you cannot

AH, TAKE IT PETE!

Well, this is one of those songs  
That can make you recall  
A ride in the springtime or a walk in the fall  
A day in the country, a night on the town  
The sun coming up  
Or the rain coming down  
Or the feeling you parted  
Or the moment you met  
The love of your life you can never forget  
Oh, even the symbol  
Cause a memory of their own  
To one of those wonderful songs

Well, this is one of those songs  
That's so easy to hear  
You listen just once,  
Then you play it by ear  
It's one of those songs  
That you think you forgot  
But it's one of those songs that you just cannot  
It's one of those wonderful songs
