

Brenda Lee, Organ Grinder's Swing

Whose that coming down the street
Good old organ grinders beat
He's the latest rhythm king
With his organ grinder swing
Da De Ya, Da De Ya, Da De Ya, Da De Ya

When he turns that handle down
Music goes round and round.
Everybody starts to sing
To that organ grinders swing.
Tra La, Tra La, Tra La, Tra La

All the children tag along
Just to listen to his song.
Monkey dancing on a string
To the organ grinders swing
Uh huh, Uh huh, Uh huh, Uh huh

Well, whose that coming down the street
Good old organ grinders beat.
He's the latest rhythm king
With his organ grinders beat
Uh ahuh, uh ahuh, uh ahuh
