

# Brenda Lee, Snap Your Fingers

Snap your fingers  
I'll come running back to you, hmm  
On bended knees  
I said snap your fingers, I'll come running  
I'll be true, take a chance on me  
The lights turn green  
Baby I gotta know, should I stay or go  
Let me love you like a lover  
Oh you use to know  
Turn the key and let me in  
Hmm through that same old door

I had it but I lost it  
Now I've got a broken heart to mend  
I don't care what the cost is  
I gotta find a way back in  
Snap your fingers,  
I'll come running,  
I'll do anything to get you back again

I had it but I lost it  
Now I've got a broken heart to mend  
I don't care what the cost is  
I gotta find a way back in  
Snap your fingers,  
I'll come running,  
I'll do anything to get you back again
