## Brenda Lee, The Crying Game

I know all there is to know about the crying game I've had my share of the crying game But there are kisses, then there are cries And then before you know where you are You're saying goodbye one day soon I'm gonna tell the moon about the crying game And if he knows, maybe he'll explain Why there are heartaches, why there are tears And what to do to stop feeling blue When love disappears But there are kisses, then there are cries And then before you know where you are You're saying goodbye Don't want no more of the crying game Don't want no more of the crying game
