

Brenda Lee, The Good Life

Of the good life, full of fun seems to be the idea
Yes, the good life, let's you hide
All the sadness you fear
You won't really fall in love, you can't take a chance
So be honest, be honest with yourself
Don't try to fake romance
It's the good life, to free and explore the unknown
Like the heartaches when you learn
You must face them alone
Please remember I still want you
And in case you wonder why
Well wake up, kiss the good life goodbye
Please remember I still want you
And in case you want me too
Well just wake up, kiss the good life goodbye
