

# Brenda Lee, The Shadow Of Your Smile

The shadow of your smile, when you are gone  
Will color all my dreams and light the dawn  
Look into my eyes, my love, and see  
All the lovely things you are to me  
A wishful little star was fun to have  
A teardrop kissed your lips and so did I

Now when I remember spring,  
All the joy that love can bring  
I will be remembering the shadow of your smile

Now when I remember spring,  
All the joy that love can bring  
I will be remembering the shadow of your smile
