

Brenda Lee, There's A Kind Of Hush

There's a kind of hush
All over the world tonight
All over the world
You can hear the sounds of lovers in love
You know what I mean

Just the two of us
And nobody else in sight,
There's nobody else and I'm felling good
Holding you tight

Now listen, listen carefully
Closer now and you will see what I mean
It isn't a dream

The only sound that you will hear
Is when I whisper in you ear I love you
For ever and ever, ya

There's a kind of hush,
All over the world tonight
All over the world
You gonna hear the sounds of lovers in love

There's a kind of hush,
All over the world tonight
All over the world
You gonna hear the sounds of lovers in love

There's a kind of hush,
All over the world tonight
There's a kind of hush,
