

Brenda Lee, We Had A Good Thing Going

Oh baby, I know that we just couldn't go wrong
No matter how hard we might have tried
For you and I, we're just too much alike to get along
Oh what a shame to have to set so much aside

Cause baby, we had a good thing going,
Yes we did now though the good times,
Were far and few between
Oh baby, We had a good thing going yeah we did
But we lost it somewhere and Lord knows its a crying shame

I remember we agreed to go our separate ways
It just broke my heart to say goodbye
Cause I believe, if it had been another time and place
Oh we'd have made it
If we had given it one more try

Cause baby, we had a good thing going,
Yes we did now though the good times,
Were far and few between
Oh baby, We had a good thing going yeah we did
But we lost it somewhere and Lord knows its a crying shame
Yes we lost it somewhere and Lord knows its a crying shame
