Brenda Lee, Where Are You

Where are you, where have you gone without me I thought you cared about me Where are you Where is my heart, where is the dream we started I can't believe we parted Where are you

When we said goodbye love, was it just a game When I gave you my love, was it all in vain

All life though, must I go on pretending Where is my happy ending Where are you

When I gave you my love, was it all in vain Oh, all life though must I go on pretending Where is my happy ending Where are you Please tell me where I ask you where are you
