

Brenda Lee, Whispering

Whispering while you cuddle near me
Whispering go no one hear me
Each little whisper seems to cheer me
I know it's true there's no one here but you
Oooh whispering like you'll never leave me
Whispering like you'll never grieve me
Whisper and say that you believe me
Whispering that I love you

Whispering while you cuddle near me
Whispering go no one hear me
Each little whisper seems to cheer me
I know it's true there's no one here but you
Oooh whispering like you'll never leave me
Whispering like you'll never grieve me
Whisper and say that you believe me
Whispering that I love you

Whispering that I love you oooh
