Brenda Lee, Winter Wonderland

Sleigh bells ring, are you listening In the lane snow is glistening beautiful sight we are happy tonight Walking in the winter wonderland

Gone a way It's the blue bird, he'll stay It's the new bird, he sings a love song As we go along Walking in a winter wonderland

In the meadow, we can build a snowman We'll pretend that he passing round He'll say are you married We'll say " No man" But you can do the job while you are in town Later on, we'll conspire As we dream by the fire We'll play on a frame the plans that we made Walking in the winter wonderland
