

Brenda Lee, Words

Smile, a everlasting smile,
Your smile can bring you near to me.
Don't never let me find you gone,
Cause that would bring a tear to me

This world has lost its glory,
Let's start a brand new story,
Now my love,
Right now there be no other time
And I can show you how, my love.

Talk, in everlasting words,
And dedicate them all to me
And I will give you all my life.
I'm here if you should call to me

You think that I don't mean a single word I say
It's only words,
And words, are all I have
To take your heart away.

You think,
You think that I don't mean a single word I say
It's only words,
But words are all I have
To take your heart away
It's only words,
And words are all I have
To take your heart away
