

# Brenda Lee, Yesterday's Gone

I loved you all the summer through  
I thought I found my dream in you  
Only you were the one  
But that was yesterday and yesterday's gone  
We walked together hand in hand  
Across miles and miles of golden sand  
But now it's over and done  
Cause that was yesterday and yesterday and yesterday's gone

We had such happiness together  
I can't believe its gone forever  
But wait til summer comes when  
Our love had just began  
I love you yesterday and yesterday's gone

We had such happiness together  
I can't believe its gone forever  
Now wait til summer comes again  
I hope that you'll remember when  
Our love had just begun  
I love you yesterday and yesterday's gone

And yesterday's gone and yesterday's gone gone gone  
And yesterday's gone
