

# Brian McKnight, Don't Let Me Go

Christmas day is near  
Family and friends all are here  
I can't believe that you're still here with me  
We've come through mountains of pain  
Cloudy skies filled with rain  
Can't wash away what Christmas joy will bring  
The stockings have been hung  
The carols have been sung  
And we're standing underneath the mistletoe  
I don't deserve you but still you continue to love me  
Like every December we've known  
Baby hold on to me  
Don't let me go  
Seems like thousands of presents are under the tree  
Some for you and some for me  
We watch the fire make its' glow  
Let it snow, let it snow, let it snow  
I reach for your hand  
We touch, I shiver  
You extend your lips to me  
Then I realize what Christmas really means  
It's the joy inside my heart  
And knowing that we'll never be apart  
Only one thing in this world I know for sure  
I don't deserve you but still you continue to love me  
Like every December we've known  
Baby hold on to me  
Don't let me go  
Don't let me go  
Don't let me go

Repeat out:

What I'm gonna do  
Is make the rest of my life  
Like Christmas time with you  
Don't let me go
