

Brian McKnight, You Could Be The One

Did you say you had to leave
(Can you stay the night with me)
Is that the way it has to be
How I hate to see you go
But it's ok because I know

Chorus:

You could be the one
I waited for
You could be the one
That opens up the door
You could be the one
I run to
You could be the one
You could be the one
To share my nights
You could be the one
That brightens up my life
You could be the one I run to
You could be the one

Everynight I wish upon a star
(Only wanna be with you)
Just wanna be everewhere you are
My body's callin' out your name
Girl tell me that you feel the same

Chorus

I waited like forever
Thought I'd find you never
I just might be done
Think I found the one

Chorus
