

# Brides Of Destruction, Criminal

verse:

Mother I'm not what you say  
You can't seem to believe this is still true  
Father so I made you free  
You seem to forget I'm just like you

Can't you see that I am just like you

chorus:

I'm not an animal  
not a criminal  
diababical, cynical, mimical I'm still me

I'm not an animal  
not a criminal  
diababical, cynical, mimical I'm still me

verse:

Hollow I am safe  
Can't you seem to see that this is you  
Tomorrow if you let it be  
You might remember times when skys were blue

Might remember times when skys were blue

chorus:

I'm not an animal  
not a criminal  
diababical, cynical, mimical I'm still me

I'm not an animal  
not a criminal  
diababical, cynical, mimical I'm still me

Chorus 4 times and then end of song
