

# Bridgit Mendler, Ready or Not

Heey, heeey! /2x

Ohh...

I'm the kinda girl  
Who doesn't say a word  
Who sits at the curb  
And waits for the world, but  
I'm about to break out  
about to break out  
I'm like a crook tonight  
I caught you staring at me and  
I was thinking clearly  
And now I'm like a bee  
And I'm huntin' for the honey  
And I'm kinda shy you're super fly  
I could be your kryptonite

Ohh ohh ohh  
Light my heart up baby like a matchstick  
Ohh ohh ohh  
And hit the gas quick

Ready or not here I come  
Where you at?  
The night is young  
In the crowd the music's loud but I will find you  
Ready or not here I come  
I like your face do you like my song  
Just sing it: "La la la la la la"  
And I will find you  
Ready or not  
Ready or not

Hello my name is...  
nice to meet you  
I think you're famous,  
Where have I seen you?  
You'll be my William  
I'll be your Kate  
Livin' like a fairytale  
We could have a palace  
right next to Oprah  
37 cars and a yacht down in Boca  
Take me away  
Where ever you say  
Yeah we could be setting sail

Ohh ohh ohh  
Light my heart up baby like a matchstick  
Ohh ohh ohh  
And hit the gas quick

Ready or not here I come  
Where you at?  
The night is young  
In the crowd the music's loud but I will find you  
Ready or not here I come  
I like your face do you like my song  
Just sing it: "La la la la la la"  
And I will find you  
Ready or not  
Ready or not

Ready or not here I come, here I come

You're like a breath of fresh air in my lungs  
You and me dance from the night to the dawn  
Ready or not here I come boy its on  
Ready or not here I come, here I come  
You're like a breath of fresh air in my lungs  
You and I dance from the night to the dawn  
Ready or not here I come boy is on

Ready or not here I come  
Where you at?  
The night is young  
In the crowd the music's loud but I will find you  
Ready or not here I come  
I like your face do you like my song  
Just sing it: "La la la la la la"  
And I will find you  
Ready or not  
Ready or not
