

# Bring It On, U.G.L.Y

Okay, I'm a cheerleader now!

CHORUS:

U-G-L-Y, you ain't got no alibi, you ugly, eh eh, you ugly  
(x4)

I saw you walking down the street just the other day  
I didn't see your damage that far away  
I should have got a clue when the kids started screaming  
You walked up to me with your buckteeth a-gleaming  
Your hair is frizzy, and your face is a mess  
I thought that was a sack, but it's your favorite dress  
You hurt the trees' feelings and the birds all flew  
I don't mean to insult you- oh wait, yes I do!  
Your teeth are yellow, they're covered with mold  
You're only fourteen, you look a hundred years old  
When looks were handed out, you were last in line  
Your face looks like where the sun don't shine  
Did you fall off a building and land on your head?  
Or did a truck run over your face instead?  
There ain't no pill, cuz you ain't ill, you're ugly!

Chorus (x2)

What really need is to wear a mask  
And book that plastic surgeon fast  
Girl, you're scary, you're hairy, I heard about you  
You're the main attraction at the City Zoo  
You're so fat and ugly with a belly full of flab  
When you wear a yellow coat people shout out, "CAB!"  
(you're so funny...I know!)  
You got eyes like a pig, your nose is big  
And with hair like that you should be wearing a wig  
Uncle Fester remember him?  
I never knew that you had a twin!  
You can't disguise yo googly eyes  
And in a Miss Ugly Pageant, you'd win first prize!

yo momma says you ugly, YOU UGLY!

Chorus (x2)

U-G-L-Y(x10) you aint got no alabi you ugly!

Yo mama said you ugly (x3)

Courus (x2)

Chicken legs, pigface, chin like Bubba, UGLY!  
Fishlips, toad liver, pointdexter, UGLY!

Chorus

U-G-L-Y, you could make an onion cry!  
U-G-L-Y, like an alien chased by the FBI
