

# Bring Me The Horizon, Happy Song

I've had enough  
There's a voice in my head  
Says I'm better off dead  
But if I sing along  
A little fucking louder to a happy song  
I'll be alright  
You want to give up  
Gave it all that you got  
And it still doesn't cut  
But if you sing along  
A little fucking louder to a happy song  
You'll be just fine cos'  
Every now and again we get that feeling  
And the great big void inside us opens up  
And I really wish that you could help  
But my head is like a carousel  
& I'm going round in circles  
Going round in circles.  
We are possessed  
We're all fucked in the head  
Alone & depressed  
But if we sing along  
A little fucking louder  
To a happy song  
Maybe we'll forget cos'  
Every now and again we get that feeling  
And the great big void inside us opens up  
And I really wish that you could help  
But my head is like a carousel  
And I'm going round in circles  
Don't wake us up  
We'd rather just keep dreaming  
Cos' the nightmares in our heads are bad enough  
And I really wish that you could help  
But my head is like a carousel  
& I'm going round in circles  
Going round in circles  
The world has coalesced  
Into one giant mess  
Of hate & unrest  
So let's all sing along  
A little god damn louder  
To a happy song  
And pretend it's all ok  
That's the spirit.
