

# Bring Me The Horizon, Shadow Moses

Can you tell from the look in her eyes?  
We're going no where  
We live our lives like we're ready to die  
We're going no where

Can you tell from the look in her eyes?  
We're going no where  
We live our lives like we're ready to die  
We're going no where

I thought I'd buried you  
And covered the tracks  
You'll have to take this with your cold dead hands  
I thought I'd buried you  
We're sinking, never come.

I thought I cut you loose  
Severed the feeling  
I stepped through the crack as you clamp to my shirt  
I thought I'd buried you  
We're sinking, never come.

Can you tell from the look in her eyes,  
We're going no where.  
We live our life like we're ready to die,  
We're going no where.

You can run but you'll never escape,  
Over and over.  
Will we ever see the end?  
We're going no where.

This is sempiternal!

Will we ever see the end?  
This is sempiternal  
Over and over  
Again and again

Rise from the dead you child,  
Secrets don't deplete till they come to the ground,  
Signal the sirens,  
Rally the troops,  
Ladies and Gentlemen,  
It's the moment of truth.

Can you tell from the look in her eyes?  
We're going no where.  
We live our lives like we're ready to die,  
We're going no where.

You can run but never escape,  
Over and over again.  
Will we ever see the end?  
We're going no where.  
(X2)

This is sempiternal!

Will we ever see the end?  
This is sempiternal  
Over and over  
Again and again
