## Bring Me The Horizon, Sleepwalking

My secrets are burning a hole through my heart And my bones catch a fever When it cuts you up this deep It's hard to find a way to breathe

Your eyes are swallowing me Mirrors start to whisper Shadows start to see My skin's smothering me Help me find a way to breathe

Time stood still
The way it did before
It's like I'm sleepwalking
Fell into another hole I dug
It's like I'm sleepwalking

I'm at the edge of the world Where do I go from here? Do I disappear? Edge of the world Should I sink or swim? Or simply disappear?

Your eyes are swallowing me Mirrors start to whisper Shadows start to see My skin's smothering me Help me find a way to breathe

Seeing as time stood still The way it did before It's like I'm sleepwalking Fell into another hole I dug It's like I'm sleepwalking

Wake up!
Take my hand and
Give me a reason to start again
Wake up!
Pull me out and
Give me a reason to start again

Time stands still (Time stands still) Time stands still (Time stands still)

Your eyes are swallowing me Mirrors start to whisper Shadows start to see My skin's smothering me Help me find a way to breathe

Time stands still
The way it did before
It's like I'm sleepwalking
Fell into another hole I dug
It's like I'm sleepwalking
(It's like I'm sleepwalking)
(It's like I'm sleepwalking)

Time stands still The way it did before It's like I'm sleepwalking
