

Britney Spears, Boys (Dj Funkeys Remix)

Listen... Dj Funky's Remix

All my niggers get down like, what? (3x)

Down Like, down like, down like what?

All my niggers get down like, what? (3x)

Down Like, down like, down like what?

For whatever reason

I feel like I've been wanting you all my life

But you don't understand

I'm so glad we're at the same place at the same time

Its over now

I Spotted You Dancin'

You made all the girls stare

Those lips and your brown eyes

And your sexy hair

I shake-shake my thing

I make the world want you

Tell your boys you'll be back

I wanna see what you can do (uh)

Bridge-

What would it take for you to just leave with me (uh uh)

Not trying to sound conceited but me and you were meant to be (yeah yeah)

You're a sexy guy, I'm a nice girl (dont you know?)

Lets turn this dance floor into our own little nasty world (Yeah..)

Chorus-

(Boys) Sometimes a girl just needs one (Oh you know I need you)

(Boys) To love her and to hold (I just want you to touch me)

(Boys) And when a girl is with one (mm mm)

(Boys) Then she's in control (Yeah)

Hey pull your girl off the dance floor

Whisper in her ear

Must of said something about me (what you say?)

Cuz now she's looking over here (sup girl)

You looking at me? (hehehe)

With that sexy attitude

With the way the girls moving it (rowr)

It puts me in the mood (oww)

What would it take for you to just leave with me

Not trying to sound conceited

But meeting you was destiny

I'm from N.E.R.D (ooh)

Aren't you Britney (don't you know)

Let's turn this dance floor into our own little nasty thing (get nasty)
