

Britney Spears, Britney Spears - Medley

"Britney, before you go, there's something I want you to have"

Mmmm..

Mmmm..

Oh baby baby

Oh baby baby

How was I supposed to know

That something wasn't right here

Oh baby, baby

I shouldn't have let you go

And now you're out of sight, yeah

Show me how you want it to be

Tell me baby because I need to know now,

oh because

My loneliness is killing me (and I)

I must confess I still believe (still believe)

When I'm not with you I lose my mind

give me a sign

hit me baby

hit me baby

hit me baby one more time

(Yeah yeah yeah yeah yeah yeah)

Yeah yeah yeah yeah yeah yeah)

I think I did it again

I made you believe we're more than just friends

Oh baby

It might seem like a crush

But it doesn't mean that I'm serious

'Cause to lose all my senses

That is just so typically me

Oh baby, baby

Oops! I did it again

I played with your heart

and got lost in the game(oh baby baby)

Oops! you think I'm in love,

that i'm sent from above

i'm not that innocent

Oops !!

Sometimes I run

Sometimes I hide

Sometimes I'm scared of you

But all I really want is to hold you tight

Treat you right, be with you day and night

Baby all I need is time

Ha!

Just hang around and you'll see

There's no where I'd rather be

If you love me, trust in me

The way that I trust in you

Mm oh yeah

Baby, I'm so into you

You've got that something what can I do?

Baby, you spin me around Oh

The earth is movin, but I can't feel the ground

Every time you look at me

My heart is jumpin, it's easy to see

Lovin' you mean so much more

More than everything I ever got before

You drive me crazy

I just can't sleep

I'm so excited, I'm in too deep

Ohh, Ohh, Ohh

Crazy, but it feels all right

Baby thinkin of you keeps me up all night

Baby thinkin of you keeps me up all night

"Oh, it's beautiful."
