

# Britney Spears, Deep In My Heart

Walking through time looking for an answer  
How can it be this way  
What have I done  
I just can't help but wonder  
How everything could change.

[Chorus-1:]

'Cause you've turned my world around  
Since you came along, no  
After this love was found it seems like we can't go wrong.

[Chorus-2:]

Deep in my heart  
I know there's only you  
And right from the start I always knew  
I never let go  
'Cause love you so  
Ohhoooh I want you for the rest of my life.

Some people search what seems to be a lifetime  
To find a love like this  
And here we are  
With everything we wished for  
I never felt such bliss.

[Repeat Chorus 1+2]

There comes a chance in everyones life  
And I beleive it won't happen twice  
Now since I've felt the glory of love  
I want spend forever  
(And ever with you).

[Repeat Chorus 2 (2 times)]

Deep in my heart  
Deep in my heart  
I want you for the rest of my life  
I want you for the rest of my life.
