

Britney Spears, Do You Wanna Come Over?

Say you feel alone, that your day was the baddest
telling me you can't sleep because of your mattress
do you wanna come over?
do you wanna come over?

let me rub your back you can set limitations
honey if you want we can get out frustrations
do you wanna come over?
just let me know
do you wanna come over?

Cause nobody should be alone if they don't have to be
nobody should be alone if they don't have to be
nobody should be alone if they don't have to be
should be alone if they don't have to be
So

Whatever you want /2x
Whatever you need /2x
I do it! /2x
/2x

Do you wanna come over?

I could get into that kissin' and touchin'
Or We could be good and do next to nothin'
Do you wanna come over?
Do you wanna come over?
Just let me know

Cause all I want is what you want and all you want is me.
Yes, all you want is what I want and what I want is you.

Cause nobody should be alone if they don't have to be
nobody should be alone if they don't have to be
nobody should be alone if they don't have to be
should be alone if they don't have to be
So

Whatever you want /2x
Whatever you need /2x
I do it! /2x
/2x

Do you wanna come over?
