

Britney Spears, Girl In My Mirror

Theres a girl in my mirror
I wonder who she is
Sometimes I think I know her
Sometimes I really wish I did
There's a story in her eyes
Lullabyes and goodbyes
when she's lookin' back at me
I can tell her heart is broken easily
'Cause the girl in my mirror
Is crying here tonight
And there's nothing I can tell her
to make her feel alright
Oh, the girl in my mirror
is crying 'cause of you
and I wish there was something
something I could do
If I could
I would tell her
not to be afraid
The pain that she's feeling
the sense of loneliness will fade
So dry your tears and rest assured
Love will find you like before
but when she's looking back at me
I know that nothin really works that easily
'Cause the girl in my mirror
is crying here tonight
and theres nothin' I can tell her
to make her feel alright
oh , the girl in my mirror
is crying cause of you
and I wish there was something
I wish there was something
oh I wish there was something I could do
I can't belive it but I see
that the girl in the mirror
the girl in the mirror
Is me
I can't belive what I see
Cause the girl in my mirror
The girl in the mirror -is me
oh, is me
Cause the girl in my mirror
Is crying here tonight
and theres nothing I can tell her
to make her feel alright
Oh the girl in my mirror
Is crying cause of you
and I wish there was something
I wish there was something
Oh I wish there was something I could do
