

# Britney Spears, I feel for u

Baby, baby, when I look at U  
I get a warm feeling inside  
There's somethin' about the things U do  
That keeps me satisfied  
I wouldn't lie 2 U, baby  
It's mainly a physical thing  
This feeling that I got 4 U, baby  
It makes me wanna sing

CHORUS:

I feel 4 U  
I think I love U  
I feel 4 U  
I think I love U  
Baby, baby, when I lay with U  
There's no place I'd rather be  
I can't believe, I can't believe it's true  
The things that U do 2 me  
I wouldn't lie 2 U, baby  
I'm physically attracted 2 U  
This feeling that I got 4 U, baby (U name it)  
There's nothing that I wouldn't do (4 U girl)

CHORUS

Play  
Whoa {x2}  
I think it's love  
I feel 4 U  
I think it's love  
I feel 4 U  
I think I love U  
I feel 4 U  
I think it's love  
Play  
Oh yeah {x2}  
Oh girl
