

Britney Spears, I'll Never Stop Loving You

Oh, yeah

They say in this world, nothing lasts forever

But I don't believe that's true

Cause the way that I feel

When we are together

I know that's the way, I always feel for you

[CHORUS:]

From now until forever that's how long I'll be true

I will make you this vow and promise you now until forever

I'll never stop loving you

Then will come a day when the world stops turning

And stars will fall from the sky

But this feeling will last

When the suns start burning

But all I wanna do is love you

Until the end of time

[Repeat CHORUS]

It's gonna take more than a lifetime

To give you all the love (all the love)

Feels for you tonight

[Repeat CHORUS (2 times)]

Until forever

I'll never stop loving you
