

# Britney Spears, I love rock 'n' roll

Hey, is this thing on?

I saw him dancing there by the record machine  
I knew he must have been about seventeen  
The beat was going strong, playing my favorite song  
I could tell it wouldn't be long 'til he was with me (yeah with me)  
I could tell it wouldn't be long 'til he was with me (yeah with me)

Singing I love rock 'n' roll  
So put another dime in the jukebox, baby  
I love rock 'n' roll  
So come and take the time and dance with me, ow

He smiled so I got up and asked for his name  
&quot;But that don't matter&quot; he said, &quot;'cause it's all the same&quot;  
He said, &quot;Can I take you home, where we can be alone?&quot;  
And next we were moving on and he was with me (yeah with me)  
And we were moving on and singing the same old song (yeah with me)

Singing I love rock 'n' roll  
So put another dime in the jukebox, baby  
I love rock 'n' roll  
So come and take some time and dance with me, ow

I love rock 'n' roll, yeah  
'Cause it soothes my soul, yeah  
I love rock 'n' roll, yeah, hey, yeah
