

# Britney Spears, Let Me Be Me

You try to read me  
You try to figure out  
You try to breathe me  
But you can't blow me out  
You try to feel me  
But I'm so out of touch  
I won't be falling  
You won't have to pick me up  
Sorry if I sound confused  
I don't feel the way you do  
But I won't turn around  
But I won't turn around

[Chorus:]  
Think that I might back down but I won't  
Think that I might have doubts but I don't  
No insecurities, won't you just let me, let me be?  
Think that you know me now but you don't  
Think that I can't stand on my own  
It ain't my philosophy,  
Won't you just let me, let me be?

Trust in my instincts  
Trust that I know what's right  
These are the reasons  
That keep you up at night (at night)  
Tell me "Go slow"  
This is my flow  
'Cause you don't know  
Know what I know

Let me tell you how it feels  
Baby it's time that you see me for real  
Sorry if I sound confused  
I don't feel the way you do  
But I won't turn around  
But I won't turn around

[Chorus]

Trust that I know  
This is my show  
Letting you know  
Gotta go the way I go  
Trust that I know  
This is my show  
Letting you know  
Gotta go the way I go

[Chorus x2]
