

# Britney Spears, Little me, please forgive me

Just yesterday  
you were looking up to me, and  
you'd ask me what I thought.  
But now I'm sitting here  
All alone with my tears,  
looking at my life that I've bought  
Where did I go?, yeah.  
My eyes, they will show...  
Little me, please forgive me,  
I couldn't see  
You're hurt inside.  
Little me, please forgive me,  
I couldn't see  
You're hurt inside.  
But now I'm sitting here  
you were looking up to me, and  
you'd ask me what I thought.  
But now I'm sitting here  
All alone with my tears,  
looking at my life that I've bought

My eyes, they will show...  
Little me, please forgive me,  
I couldn't see  
You're hurt inside.  
Little me, please forgive me,  
I couldn't see  
You're hurt inside.  
Where did I go?, yeah.
