

Britney Spears, Mannequin

Always talkin' around this
He wants me
I get things
Everything I want
In my own way
Your time
Goldmines
Blue skies
All my backless dresses
Excess

I cannot help myself
I'm just doing what I do
Help myself to anything that I want
So thank you
I like it
And I do what I like and
Then you do what I like
And you like it

If you wanna just
(Scream) Scream your lungs out
If you wanna just
(Cry) Cry your eyes out
I'll be doing my
(Thing) That's what I'm about
You can cry your eyes out of your head

Baby, baby
I don't care
I don't care
I don't care
I don't
You can cr-cr-cry ag-gain-gain
My face like a mannequin
Mannequin
Yeah I did it again and again
You can cr-cr-cry ag-gain-gain
My face like a mannequin

You told me
You're lonely
Can't hear you
Can't feel you
I'm frozen
Im posin'
Theres no way
You move me
Watch me
Dress me
Can't impress me
I'm not
Changing
I'm just

I cannot help myself
I'm just doing what I do
Help myself to anything that I want
So thank you
I like it
And I do what I like and
Then you do what I like
And you like it

If you wanna just
(Scream) Scream your lungs out
If you wanna just
(Cry) Cry your eyes out
I'll be doing my
(Thing) That's what I'm about
You can cry your eyes out of your head

Baby, baby
I don't care
I don't care
I don't care
I don't
You can cr-cr-cry ag-gain-gain
My face like a mannequin
Mannequin
Yeah I did it again and again
You can cr-cr-cry ag-gain-gain
My face like a mannequin

My face like a mannequin
My face like a mannequin
My face like a mannequin
My face like a mannequin
My face like a mannequin

Watch me

If you wanna just
(Scream) Scream your lungs out
If you wanna just
(Cry) Cry your eyes out
I'll be doing my
(Thing) That's what I'm about
You can cry your eyes out of your head

Baby, baby
I don't care
I don't care
I don't care
I don't
You can cr-cr-cry ag-gain-gain
My face like a mannequin
Mannequin
Yeah I did it again and again
You can cr-cr-cry ag-gain-gain
