I lose my mind. Give me a sign,

What am I to do with my life  
(You will find it out don't worry)  
How Am I supposed to know what's right?  
(You just got to do it your way)  
I can't help the way I feel  
But my life has been so over  
What am I to do with my life  
(You will find it out don't worry)  
How Am I supposed to know what's right?  
(You just got to do it your way)  
I can't help the way I feel  
But my life has been so overprotected. What am I to do with my life  
(You will find it out don't worry)  
How Am I supposed to know what's right?  
(You just got to do it your way)  
I can't help the way I feel  
But my life has been so overprotected. protected. protected.

With the taste of your lips, I'm on a ride.  
You're toxic, I'm a slipping under.  
With the taste of a poison paradise,  
I'm addicted to you, don't you know  
That you're toxic? And I love what you do,  
don't you know that you're Toxic?
