

Britney Spears, Next Generation Pepsi Commercial

Turn me up
Come feel the joy all around
Each generation has found they've got their own kind of sound
Time to let it out
You've got your own kind of groove
Baby you can't see it it's your move
Gotta take that leap
You can't lose
Time to shout it out
Ba ba ba ba
Ba ba ba ba ba
Love that joy of Pepsi-Cola
Pepsi for those who think young
