

# Britney Spears, Overprotected

I need time (time)  
Love (love)  
Joy (joy)  
I need space  
I need me  
(Action!)

Say hello, to the girl, that I am  
You're gonna have to see  
Out of my perspective  
I need to make mistakes  
Just to learn, who I am  
And I don't wanna be  
So damn protected

There must be another way  
'Cause I believe in taking chances  
But who am I to say?  
What a girl is to do?  
God I need some answers

What am I to do with my life?  
(You will find it out don't worry)  
How am I supposed to know what's right?  
(You just gotta do it your way)  
I can't help the way I feel  
But my life has been  
So overprotected

I tell 'em what I like  
What I want, and what I don't  
But everytime I do  
I stand corrected  
Things that I've been told  
I can't believe  
What I hear about the world, I realize  
I'm over 'verprotected

There must be another way  
'Cause I believe in taking chances  
But who am I to say?  
What a girl is to do?  
God I need some answers

What am I to do with my life?  
(You will find it out, don't worry)  
How am I supposed to know what's right?  
(You just gotta do it your way)  
I can't help the way I feel  
(Help the way I feel)  
But my life has been so overprotected

I need... time (love)  
I need... space  
(This is it, this is it)

I don't need nobody telling me just what I wanna  
What I want what, what I'm gonna  
(I need)  
Do about my destiny  
(I say no, no)  
Nobody's telling me just what I wanna  
(Do, do)  
I'm so fed up with people telling me to be

Someone else but me

(Action!)

(Yeah, yeah, yeah)  
What am I to do with my life?  
(You will find it out, don't worry)  
How am I supposed to know what's right?  
(You just gotta do it your way)  
I can't help the way I feel  
(Feel)  
But my life has been  
So overprotected

I don't need nobody telling me just what I wanna  
What I want what, what I'm gonna  
Do about my destiny  
(I say no, no)  
Nobody's telling me just what I wanna  
(Do, do)  
I'm so fed up with people telling me to be  
Someone else but me

What am I to do with my life?  
(You will find it out, don't worry)  
How am I supposed to know what's right?  
(You just gotta do it your way)  
Oh, I can't help the way I feel  
(Help the way I feel)  
But my life has been  
So overprotected
