## Britney Spears, Passenger

I can?t let go of control
I can?t let go and oh no
Don?t know the way you?re having me
One day at a time is all I need
There was a time without trust
There was a time without love
But it took you to show me
I could handover the keys

I?II let you lead the way now
Cause I want you to take the wheel
I?ve never been a passenger though
I never knew how good it could feel
The road will twist and turn but
I know that I am in good hands
I?ve never been a passenger no
But we?II see more without a map
Without a map /3x

So let?s talk a walk and get lost Let?s take a chance on finding us I wanna see the world with you Every step feels so brand new It?s hard to jump with no net But I?ve jumped and got no regret My co-pilot yeah that?s right Now I can just enjoy the ride

I?II let you lead the way now
Cause I want you to take the wheel
I?ve never been a passenger though
I never knew how good it could feel
The road will twist and turn but
I know that I am in good hands
I?ve never been a passenger no
But we?II see more without a map
Without a map /3x

And now we?re finally falling Cause I was giving you half now I?m all in My hands in the air while you?re driving This is living /3x

I?II let you lead the way now
Cause I want you to take the wheel
I?ve never been a passenger though
I never knew how good it could feel
The road will twist and turn but
I know that I am in good hands
I?ve never been a passenger no
But we?II see more without a map
Without a map /3x
