

Britney Spears, Shadow

Your bodys warm
But you are not
You give a little
Not a lot
You coup your love
Until we kiss
Youre all I want
But not like this
Im watching you disappear
But you, you were never here

Its only your shadow
Never yourself
Its only your shadow
Nobody else
Its only your shadow
Filling the room
Arriving too late
And leaving too soon
And leaving too soon

Your body gives
But then holds back
The sun is bright
The sky is black
Can only be another sign
I cannot keep what isnt mine
Your laughter it lingers on
But you, you were almost gone

Its only your shadow
Never yourself
Its only your shadow
Nobody else
Its only your shadow
Filling the room
Arriving too late
And leaving too soon
And leaving too soon

How can I tell if you mean what you say
You say it so loud, but you sound far away
Maybe I had just a glimpse of your soul
Or was that your shadow I saw on the wall
Im watching you disappear
But you, you were never here

Its only your shadow
Never yourself
Its only your shadow
Nobody else
Its only your shadow
Filling the room
Arriving too late
No, no, no
Its only your shadow
Its only your shadow
Nobody else
Its only your shadow
Arriving too late
And leaving too soon

Its only your shadow
