

Britney Spears, Someday (I Will Understand) (Hi-

Nothin` seems to be the way
That it used to
Everything seems shallow
God give me truth, In me
and tell me somebody`s watching
Over me
And that is all I pray is that

Someday I will understand
In God`s whole plan
And what`s He`s done to me
Oh but maybe
Someday I will breathe
And I`ll finally see
See it all in my baby

Don`t you run too fast my dear
Why don`t you stop
Just stop and listen to your tears
They`re all you`ve got

It`s in you
You see somebody`s watching
Over You
And that is all I pray is that

Someday you will understand
In God`s whole plan
And what he does to you
Oh but baby
Someday you will breathe
And you`ll finally see
You`ll see it all in your baby
You`ll see it all in your baby

No moment will be more true
Than the moment
I look at you

It`s in you
You see somebody`s watching
over you
and that is all I pray is that

Someday you will understand
In God`s whole plan
And what He does to you
Oh but maybe
Someday you will breathe
And you`ll finally see
You`ll see it all in your baby
You`ll see it all in your baby

You`ll see it all in your baby
You`ll see it all in your baby...
