

# Britney Spears, Someday (I Will Understand) (Hi-

Nothin` seems to be the way  
That it used to  
Everything seems shallow  
God give me truth, In me  
and tell me somebody`s watching  
Over me  
And that is all I pray is that

Someday I will understand  
In God`s whole plan  
And what`s He`s done to me  
Oh but maybe  
Someday I will breathe  
And I`ll finally see  
See it all in my baby

Don`t you run too fast my dear  
Why don`t you stop  
Just stop and listen to your tears  
They`re all you`ve got

It`s in you  
You see somebody`s watching  
Over You  
And that is all I pray is that

Someday you will understand  
In God`s whole plan  
And what he does to you  
Oh but baby  
Someday you will breathe  
And you`ll finally see  
You`ll see it all in your baby  
You`ll see it all in your baby

No moment will be more true  
Than the moment  
I look at you

It`s in you  
You see somebody`s watching  
over you  
and that is all I pray is that

Someday you will understand  
In God`s whole plan  
And what He does to you  
Oh but maybe  
Someday you will breathe  
And you`ll finally see  
You`ll see it all in your baby  
You`ll see it all in your baby

You`ll see it all in your baby  
You`ll see it all in your baby...
