Britney Spears, Someday (I Will Understand) (Hi-

Nothin` seems to be the way That it used to Everything seems shallow God give me truth, In me and tell me somebody`s watching Over me And that is all I pray is that

Someday I will understand In God`s whole plan And what`s He`s done to me Oh but maybe Someday I will breathe And I`ll finally see See it all in my baby

Don't you run too fast my dear Why don't you stop Just stop and listen to your tears They're all you've got

It's in you You see somebody's watching Over You And that is all I pray is that

Someday you will understand In God`s whole plan And what he does to you Oh but baby Someday you will breathe And you`ll finally see You`ll see it all in your baby You`ll see it all in your baby

No moment will be more true Than the moment I look at you

It's in you You see somebody's watching over you and that is all I pray is that

Someday you will understand In God`s whole plan And what He does to you Oh but maybe Someday you will breathe And you`ll finally see You`ll see it all in your baby You`ll see it all in your baby

You`ll see it all in your baby You`ll see it all in your baby...
