## Britney Spears, That's Where You Take Me

Oh Baby, Oh Baby Oh Baby, Oh Baby In love, In no belief Never found inside of Me Built these walls up so high Needed my room to breathe

Oh Baby, Oh baby You tear them down Can't believe you've changed my mind Oh Baby, Oh Baby I saw your smile Stay with me a while

All things fall in to place My heart, it feels so safe You are my melody That's where you take me

With you I get so high Lost in the crystal sky You are this melody That's where you take me

I never fell before How did u find my door The key up to my soul To you forever more

Oh baby, Oh baby You make me rise And never did I once think twice Oh Baby, Oh baby You make me smile Stay with me a while

## Ooh!

All things fall in to place My heart, it feels so safe You are my melody That's where you take me
